THE BRIGHT GROUP®

Scala Sconce S14

THE BRIGHT GROUP®

Scala Sconce

manufactured by Charles Loomis, Inc.

Scala is sophisticated and contemporary with a touch of whimsy. It is available in etched opal acrylic, off-white linen, or Aramid diffusers. A unique mounting system eliminates exposed fasteners for a clean unified appearance.

Scala has been used in condo and hotel corridors, restaurants, retail and residential applications. It is a commercial grade fixture - built with care to last. It is offered with fluorescent or incandescent lamping. It is ADA compliant.
